

Credit Analyst

SECURITY BANK & TRUST COMPANY
Glencoe, MN

Security Bank & Trust Co. is looking for a Full Time Credit Analyst. This position will prepare, gather, and analyze financial information for current and potential bank customers.

Responsibilities

- Assess creditworthiness of existing or prospective clients
- Examine financial transactions and credit history case by case (applications, statements, balance sheets, legal documents etc.)
- Complete ratio, trend and cash flows analyses and create projections
- Determine in depth the degree of risk involved
- Carefully analyze data and produce clear and objective reports
- Adhere to credit policy and guidelines

Skills

- Proven working experience as a credit analyst
- Ability to analyze cash flows, leverage, collateral and customer strength
- Strong communication and presentation skills
- Sound judgement
- BS degree in Business, Statistics or related field

The position is permanent and offers a comprehensive benefit package.
